ABOUT US

The Aertssen Group is a Belgian family business, established in 1964, which has grown to one of the leading earth moving, heavy lift and heavy transport contractors in Europe.

Aertssen Machinery Services (AMS) earthmoving division is based in Abu Dhabi (UAE), Qatar, and Oman, purposed to serve large-scale earthmoving, maritime projects and tailor-made solutions for almost every industry in the GCC.

More than half a century of expertise... Our secret?

'PEOPLE, POWER & PASSION TO BUILD ON'

- our motto and our strength

We firmly believe it is the combination of our people, machines and passion that makes it possible for us to be the best at what we do.

WHAT WE DO

Activities such as large-scale earthmoving, aggregate crushing and sieving, rock revetment works and soil improvement are all part of our area of expertise.

With our wealth of experience, modern equipment and skilled professionals we can deliver the highest standards in terms of quality, flexibility, productivity and safety, bringing each project to a satisfactory conclusion.
